

CURRENT COMMERCIAL REAL ESTATE TRENDS In the Twin Cities

If there is one word for the current state of commercial real estate in Minnesota it's *hot*. The Twin Cities metro area currently ranks No. 1 in the Midwest commercial real estate market with the best outlook heading in to 2018. Read more about this hot streak and what we can expect in the coming year!

Activity-Based Workspace

Discover the basics of ABW, in this great article by James McDonald from iOffice, and why it's becoming an integral part of a smart workplace and how your organization can adopt it. [Read more >>](#)

A FEW WORDS FROM MELISSA

Jim Rohn famously said, “You are the average of the five people you spend the most time with.” As someone who enjoys delighting clients, giving extra, and exceeding expectations, I knew I’d found the right fit when I met the team at KimbleCo. Certainly experience and expertise matter, but for me it came down to the extra level of care and commitment they deliver. I’m thrilled to be on the team and look forward to going above and beyond for investors, building and business owners in the greater Twin Cities area as the newest Broker Associate. Women in Real Estate Summit

We had the privilege to present to over 350 people at the Women in Real Estate Summit on May 11th sponsored by the Minnesota Real Estate Journal. Our founder, Julie Kimble, addressed the audience as one of four women Industry Pioneers in Commercial Real Estate. It was great to hear the stories! What an amazing event! Thank you to those of you who joined us!
